Squan HS senior named as distinguished finalist

A Manasquan High School senior was recently recognized as a distinguished finalist in the 2005 Prudential Spirit of Community Awards in New Jersey.

Ilana Rothbein, 18, of Manasquan, created and leads "Chores for Charity," a youth volunteer effort that has raised more than \$20,000 to fund epilepsy research efforts at the New York University Medical Center.

"Chores for Charity" encourages teenagers to donate a little bit of their earnings from part-time, summer or odd jobs in exchange for community service and/or extracurricular school credit.

She will receive an engraved bronze medallion for her achievement.

Based on the number of volunteer hours indicated on Ilana's awards application, she has also qualified for the President's Volunteer Service Award.

That award recognizes Americans of all ages who have volunteered significant amounts of their time to serve their communities and their country.

She will receive an award cer-
